RE : HP FEES AND SHARING

SUPERCEDES: ALL POLICIES INCONSISTENT HEREWITH

The mandatory HP integration fee (3 modules) of P 1,937 charged per student is subject to 85-15 sharing with Franchisees; in favor of AMA.

The HP Big data may be offered as elective for Franchise where the P 3,000 charge per student is subject to the same 85-15 sharing.

Training fees for Faculty members for Franchise in relation to this is P 2,000 (per module) and for AMAES faculty, the same amount, to be covered by RSA.

Dr. Demeke will formulate a brief program for Marketing to be oriented on the HP program.

For your information and cooperation.
